Date: 11 November 2013

Greetings Companions & Sir Knights,

Good News! Good News! Good News! The Council Patent for our Royal & Select Masters has been approved. The price of the Council Patent will be \$ 6.00, the same as the Commandery Patent. We have updated our Council CBA Form to reflect this change. **The new CBA Form is already available for download on our website. I cannot stress enough the importance of using the proper form.** Beginning in January 2014, all Candidates will receive a Council Patent when the request is made on the new CBA Form.

Any member on your rolls prior to 2014 will also be able to purchase a Council Patent for the price of \$ 6.00. However, the process is slightly different. Each Council will submit a roster with the Companion's name, date of initiation and CBA number along with \$ 6.00 for each patent they are requesting. Please take time to ensure all names are spelled correctly, any mistakes made by you will be paid for by you. All correspondence concerning Council Patents must be sent to:

Frank Fields  
116 N. King Ave  
Midwest City, OK 73130

Govern yourselves accordingly.

**Original Signed & Sealed**
